FELLOWSHIP AFTER MASS – Please join us for coffee, rolls, and fellowship after Mass. All are welcome!

THANK YOU from the Social Justice Committee to all those that donated clothing, supplies, furniture, and monetary donations to the Caring Pregnancy Center campaign. As Jo said in her thank you, it was very successful, especially for the first time doing a campaign for this organization. A meeting will be set up for October to start the campaign for the Northern Lights Men's Shelter. Also a reminder, in the foyer of the Waking Area, there are baskets for Caring Pregnancy Center, Northern Men's Shelter, and Food Banks – we give to both the Hawkeye Harvest Food Bank and the West Fork Food Pantry – and the pop tab bucket is there for the Ronald McDonald House. We are certainly blessed in this parish for all that have generously donated and continue to donate to these very worthy causes. God bless you all!

THANK YOU to those who helped me the weekend that I passed out during Mass, thank you to Fr. Josh for the blessing, and thank you to all that kept me in your prayers! – *Dort DeVary*

GUILD MEETING – The Guild will meet THIS Thursday, September 29th, after Mass. On the agenda is the Turkey Dinner plans. Please plan to attend.

SOCIAL JUSTICE COMMITTEE will be meeting on Thursday, October 13th, after Mass (6:15pm) to get started on the Northern Men's Shelter campaign for The Giving Tree that we do every year and will also be discussing a fundraiser for The Alzheimer's Association in the Spring. Please let Kim Thyne know if you would like to be part of this Committee. Email address is kim-50@hotmail.com. All our welcome!

MINISTRY LISTS for October, November, December are on the table going into the Parish Center. If you are a minister of any kind please take home with you and mark your dates to serve.

FINANCE COMMITTEE will meet on Thursday, October 6th, after 5:30pm Mass.

OCTOBER COUNT – We will be taking an attendance count at the Sunday Masses for the first 4 Sundays in October per request from Archdiocese.

THERMOSTATS in the Parish Center are preprogrammed so please do not change them. Our electric bill has doubled the last couple of months so we are trying to see what we are doing to make the bill so high. One thing-- The Parish Center was changed to 74 degrees when it is supposed to be at 78 Degrees. Also, the thermostat in church is set at 78 degrees during the week and changed for Sunday Mass. We will see if changing the thermostats back makes a difference.
